*To Mr. James Gregor, our friend, guide, and helper, who has given us love and continuous support, we dedicate the 1980 Sagitta. Thank you for listening, caring, and sharing a smile to brighten each day.*

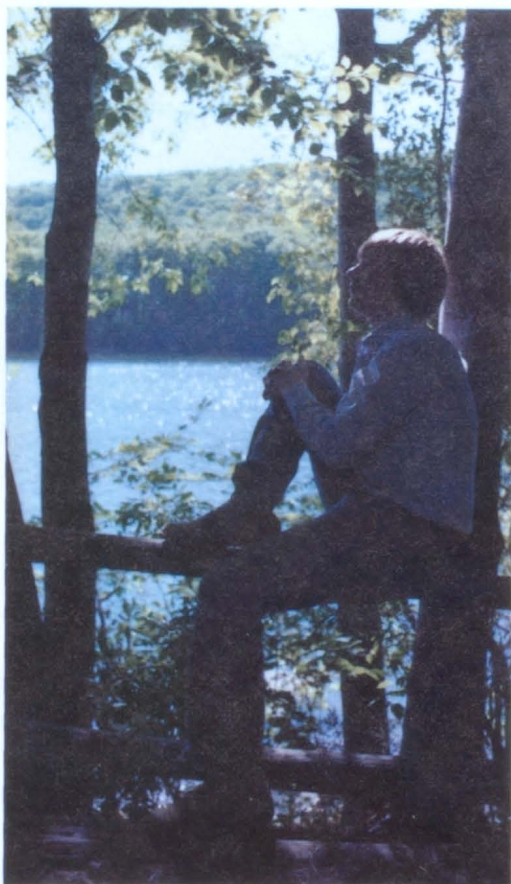

*We wish to express our sincere appreciation to Mr. Frank Pacocha and Mr. Louis Wanat for their dedication and leadership, giving us motivation and incentive to learn and grow.*

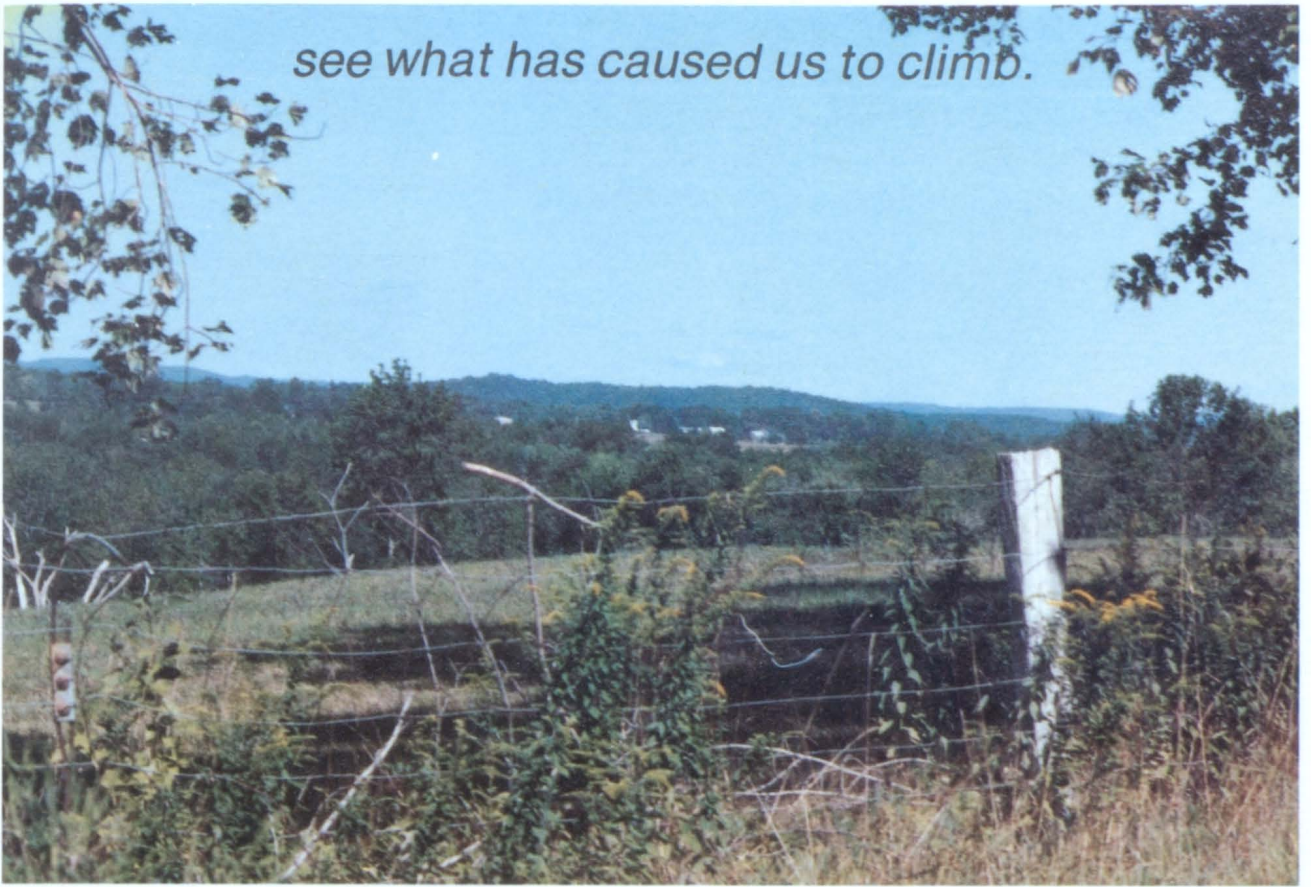

*Come, trace our climb  
up the mountain;*

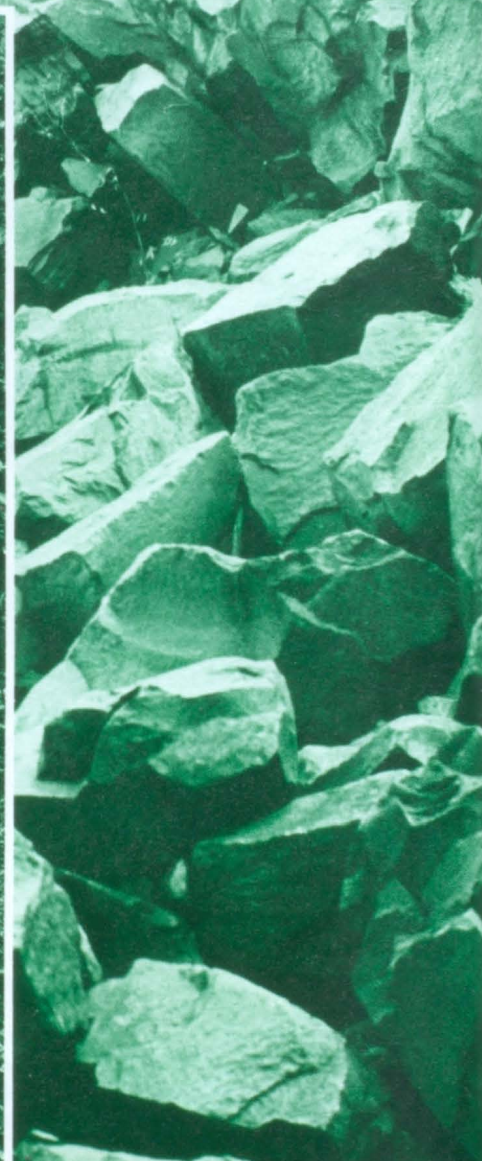

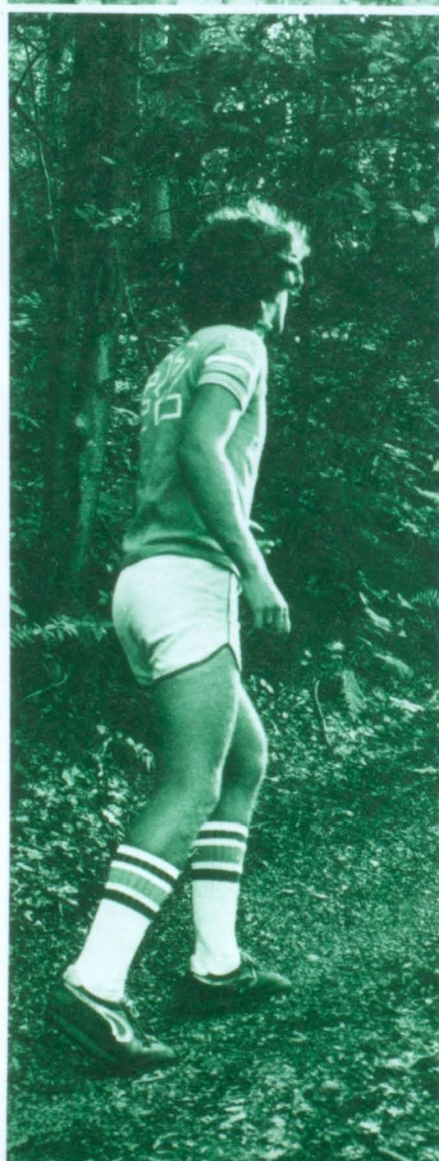

*see what has caused us to climb.*

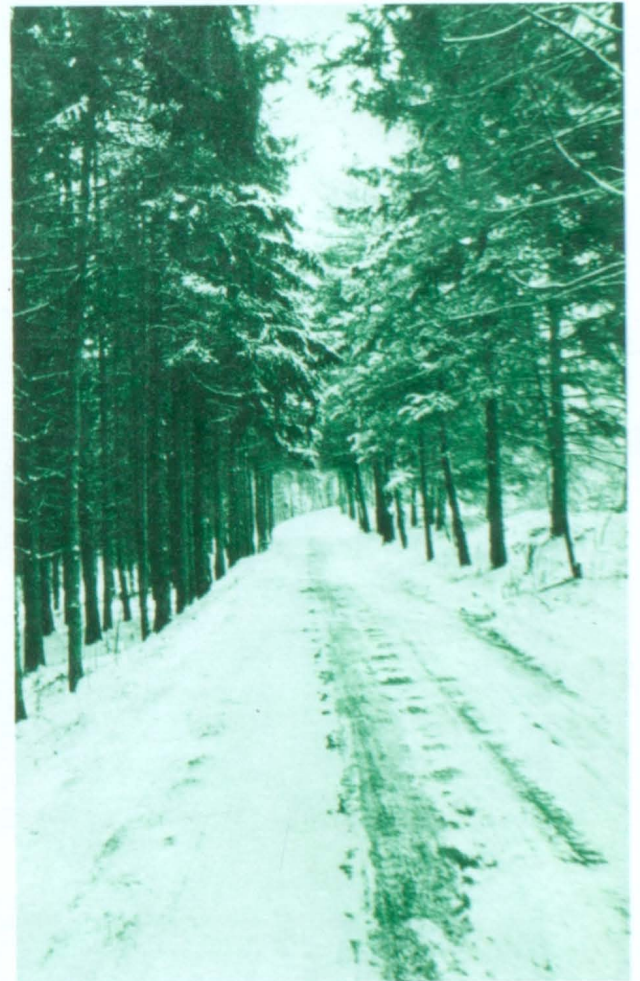

*Come,  
challenge the  
jagged crags  
we have  
encountered,  
and  
conquer their  
rocky  
danger.*

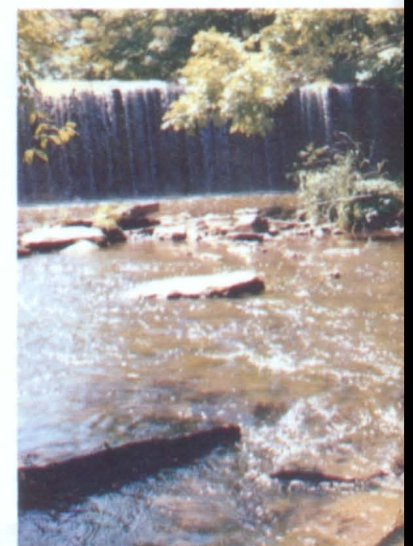

*Come, travel the path  
through the forest, or  
seek one not yet  
taken.*

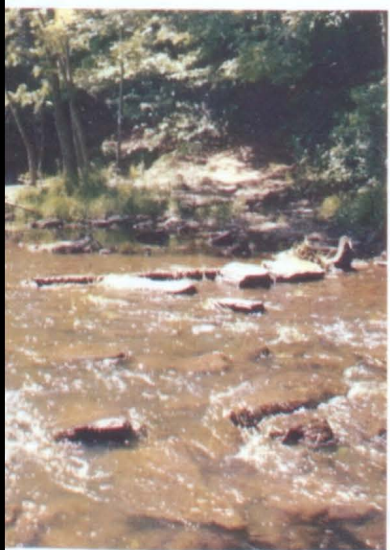

*Come, linger by the spring  
as it trickles into the  
stream*

*and finally cascades  
into the*

*river's  
water-  
fall.*

*Come, witness the pines;*

*they have pro-  
gressed to new  
heights and  
strength,*

*while amongst  
them we have  
grown.*

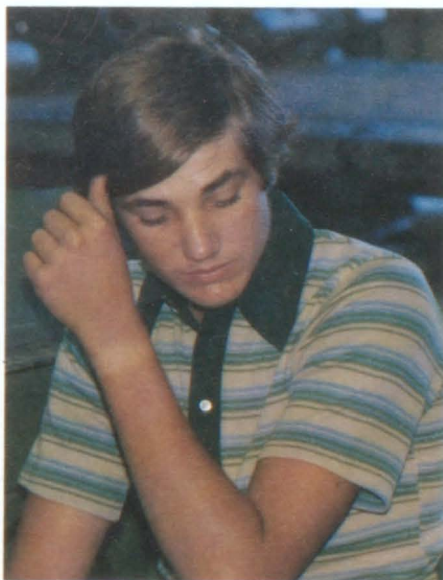

*Come, wish upon the rainbow  
as we have  
done,*

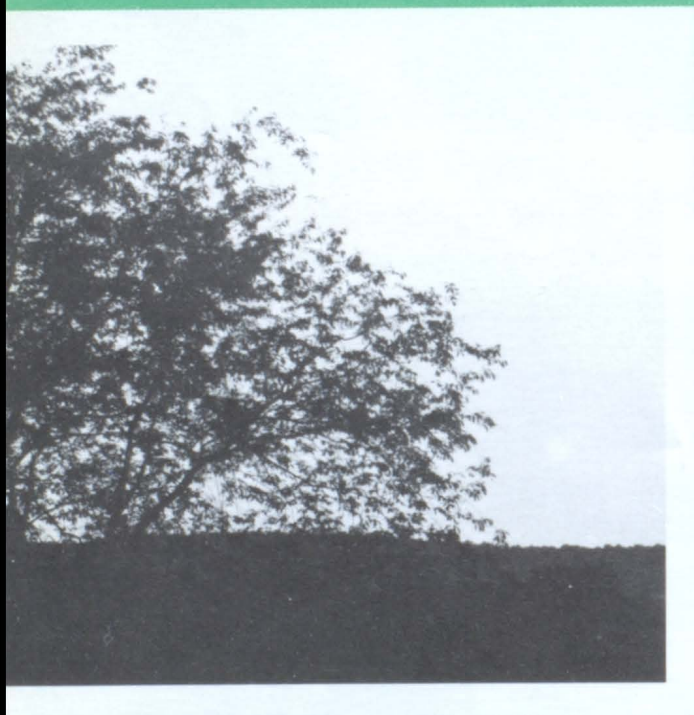

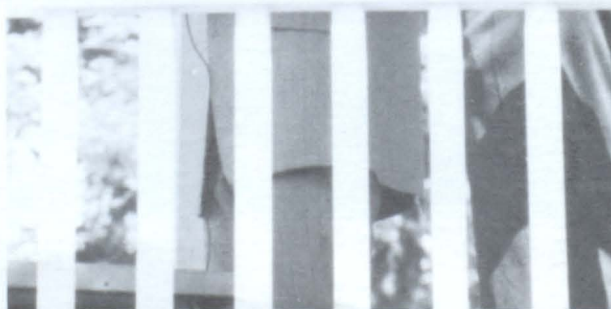

*hoping for dreams — come —  
true.*

*Come, seek the  
awakening light*

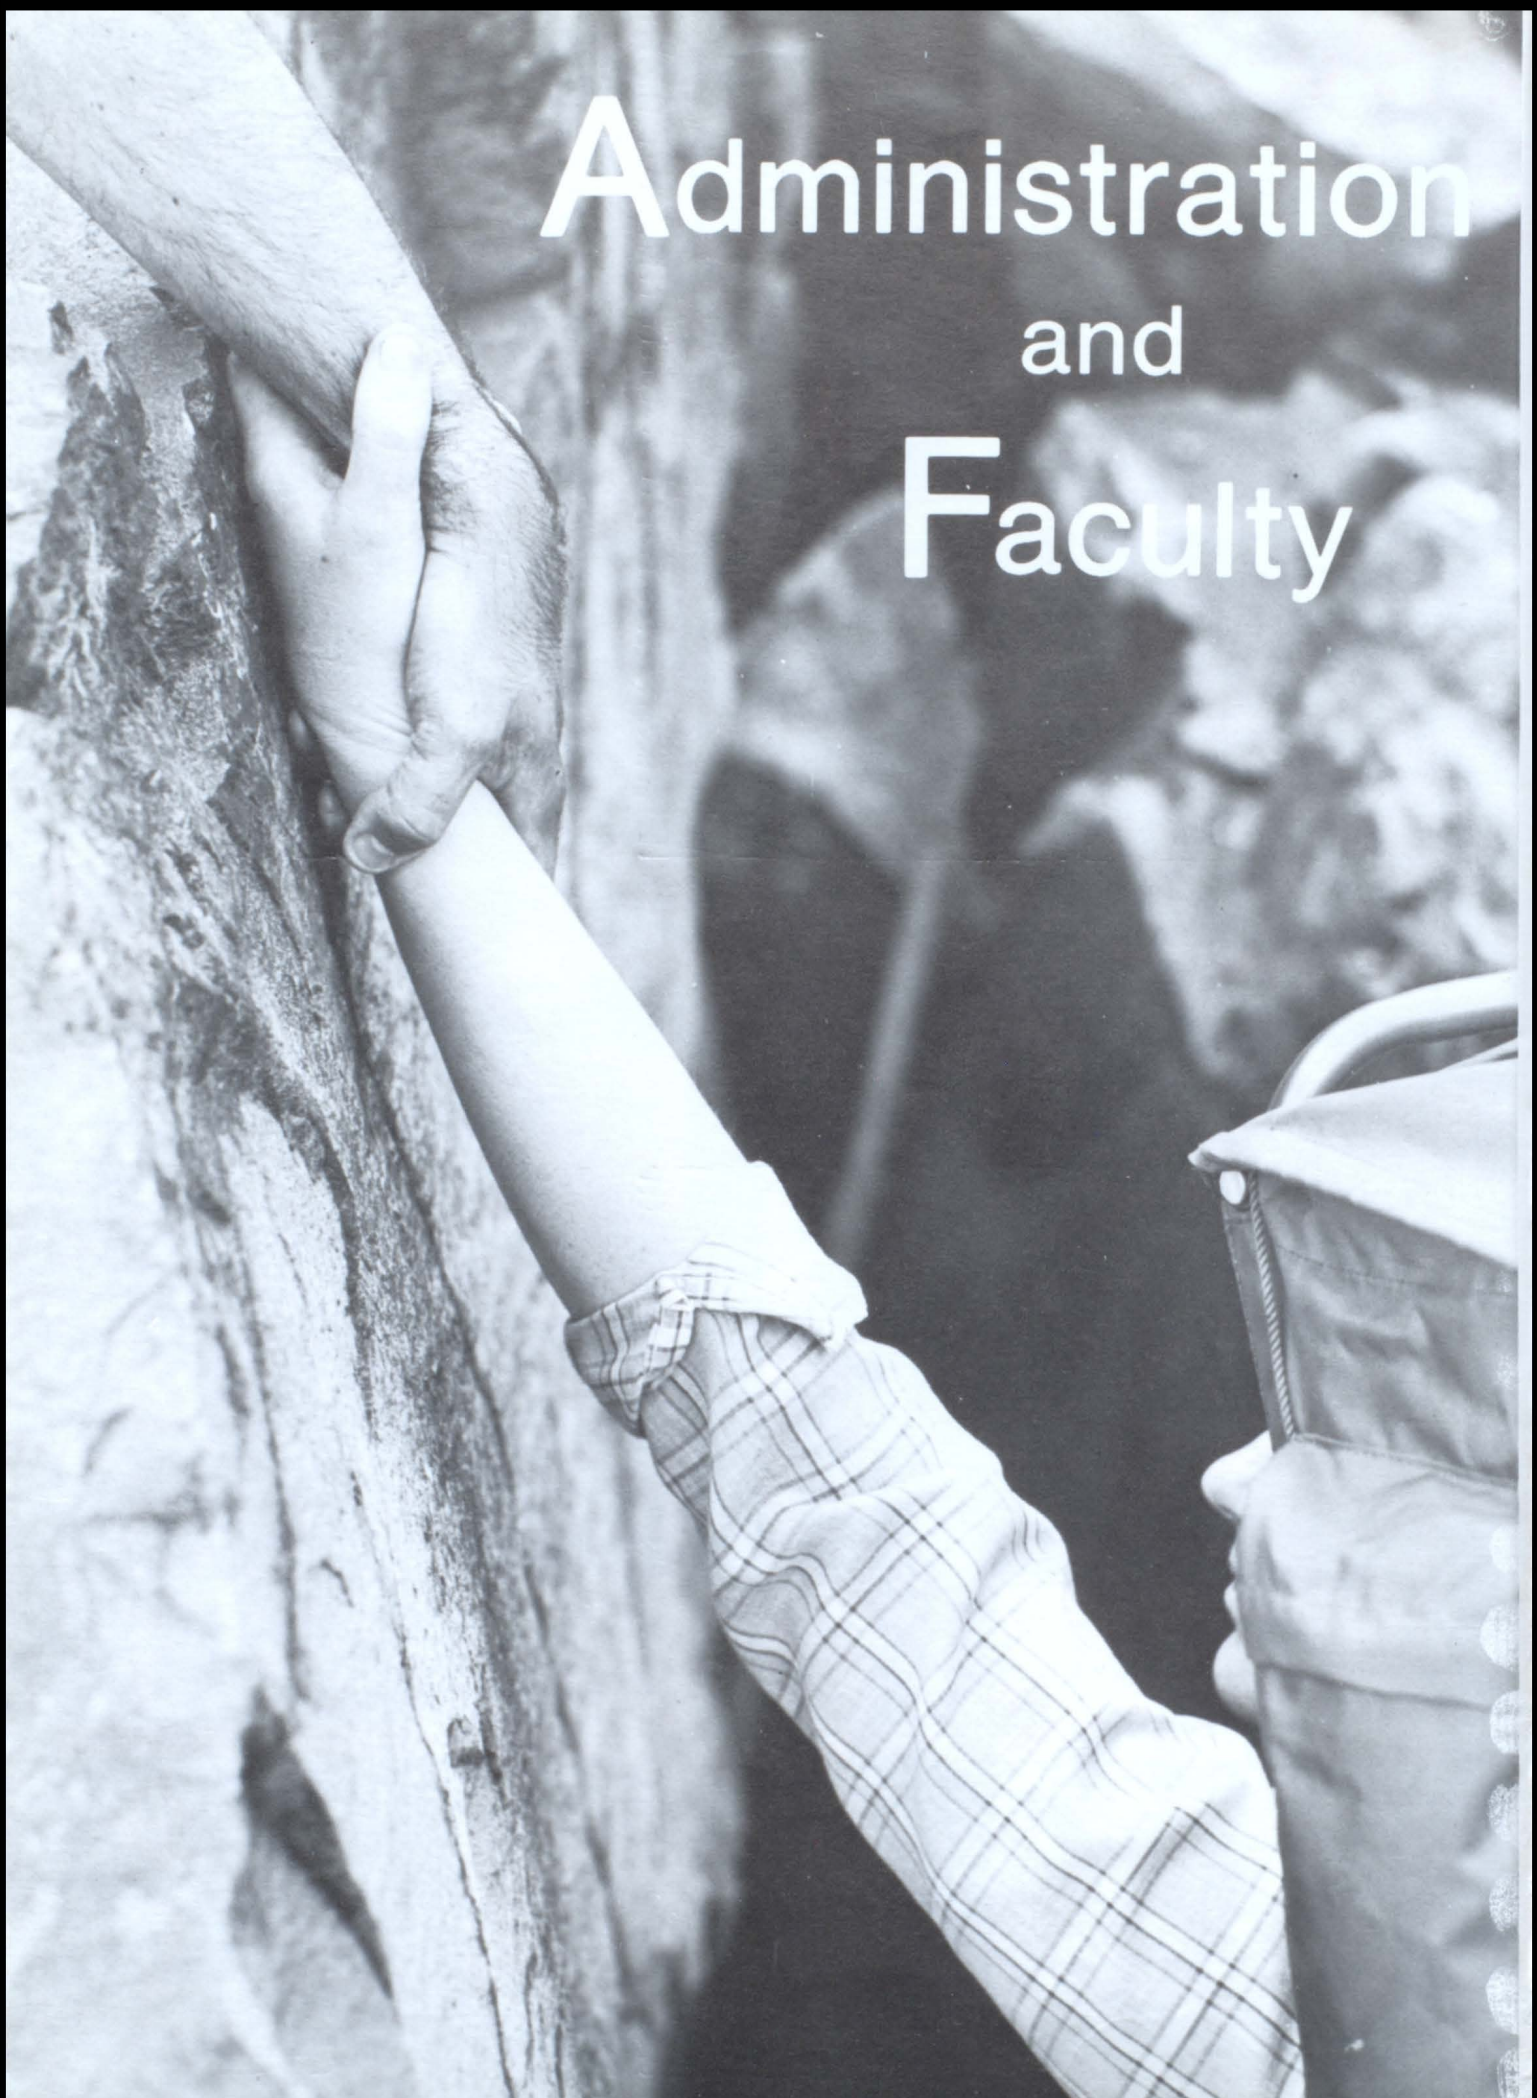

*as it bursts through the  
pines' upper branches, guiding our  
journey.*

"You don't mess around with Dr. J."

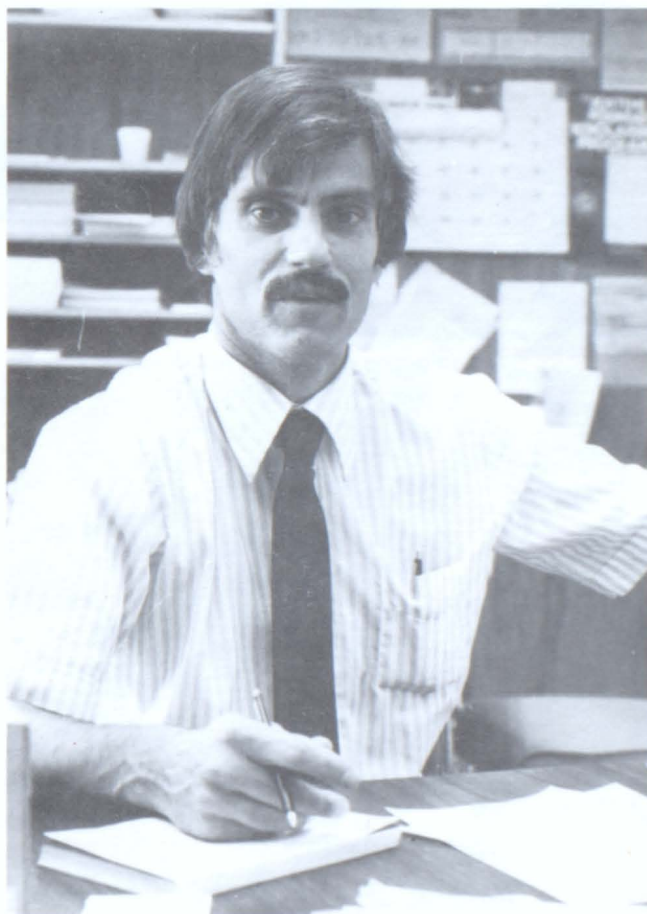

"No, we can't bribe the admissions dean."

"Excuse me but I didn't quite get the name."

"Sure, your mother was sick, so you had to stay home to feed the chickens."

"I have plenty of time to hear your story."

"That's fine with me."

"Supercala fragi whata!"

"I hate returning these White House calls!"

"This looks pretty good; now could you put it into English?"

"Not long ago I sat in a class like this!"

"Maybe I should have gone into modeling!"

"Let me tell you a story."

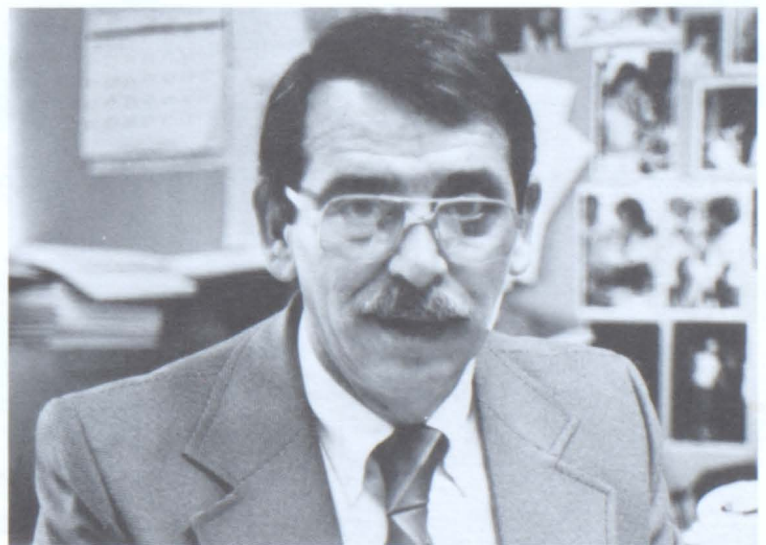

"A smile a day keeps the blues away."

"I'll bet it would work if I put some ink in it."

"Put those pom-poms down, this is accounting!"

"Work study, puts the emphasis on work."

"My secret passion is art!"

"May I help you, gentlemen?"

"What did you expect me to do, cry?!?"

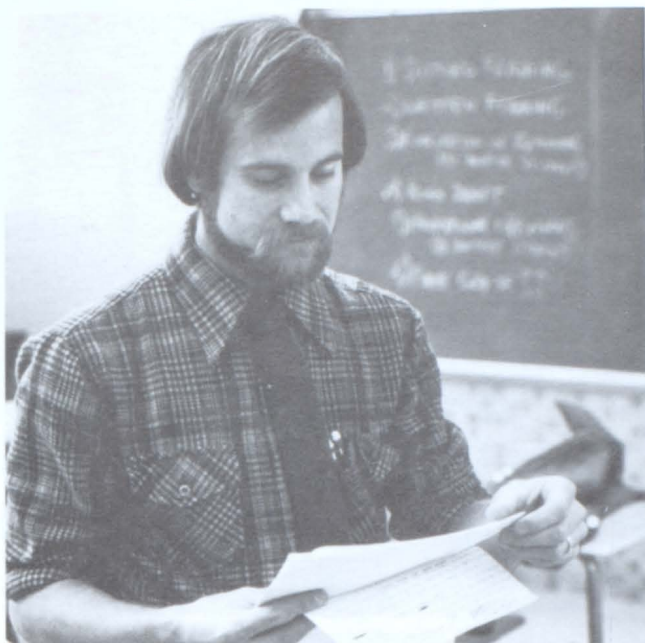

"SAT's aren't open book tests."

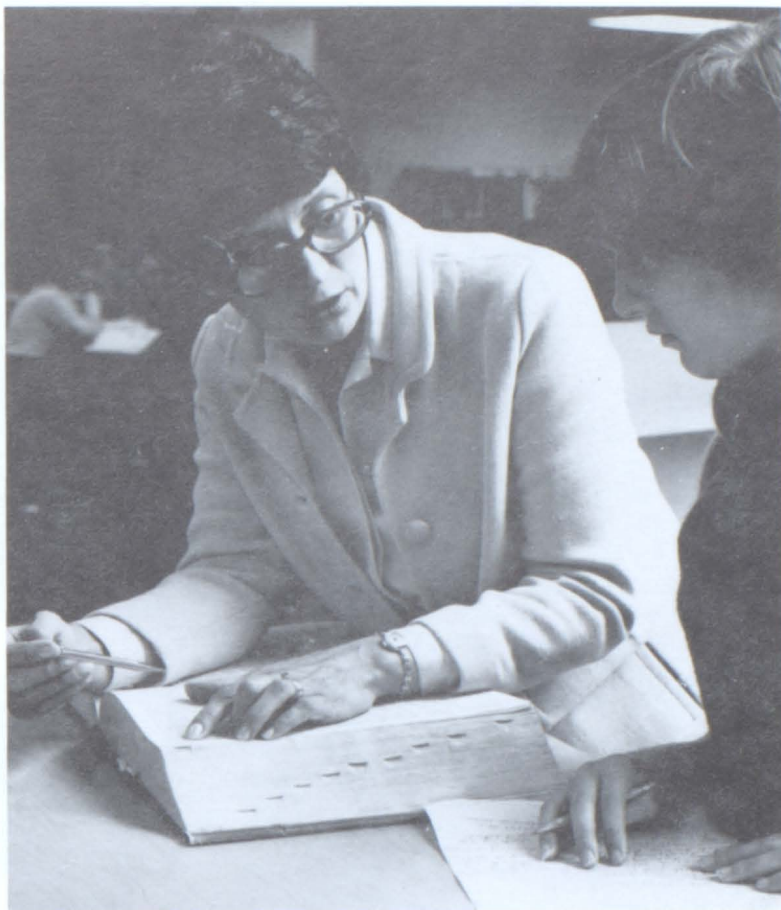

"Don't go chasing round Robin Hood's barn!"

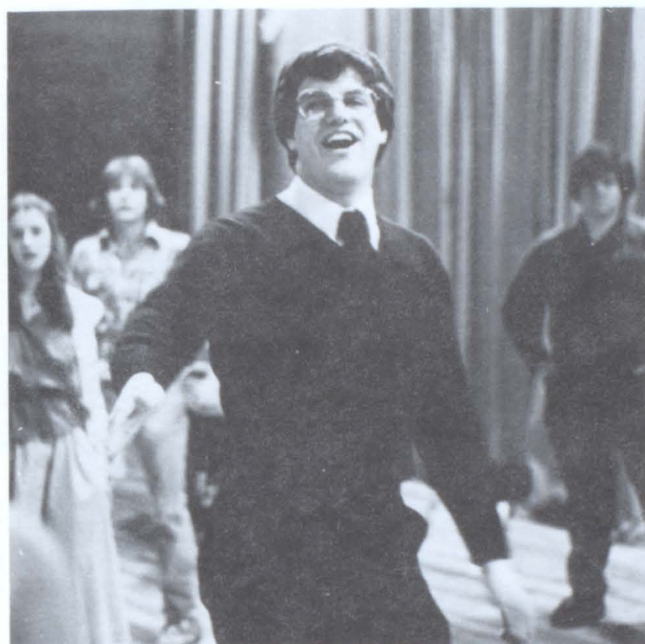

"Could be a good short story, *Martians go Invade Suffield!*"

"There are many definitions for this word."

"Boy, this is going to be an exciting job."

"*Debonaire* is my middle name!"

"This is your idea of creative writing?!"

"This is my disco tie, do you like it?"

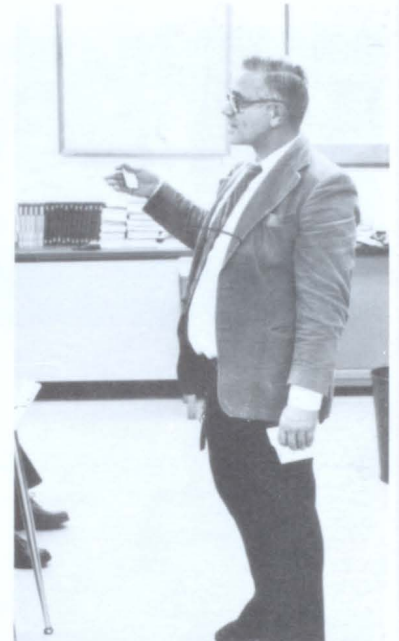

"Another drop should do it!"

"Can you say *whimpie*?"

"How's this pose?"

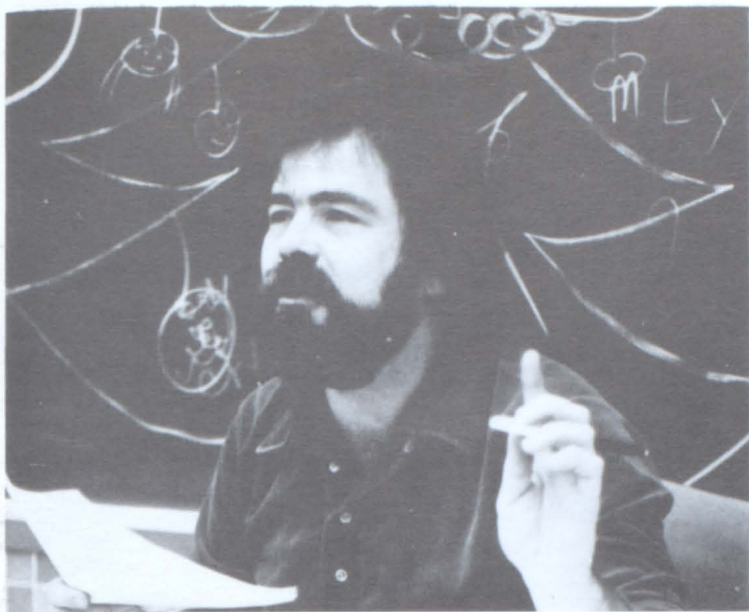

"Who's next to try my radiator squash?"

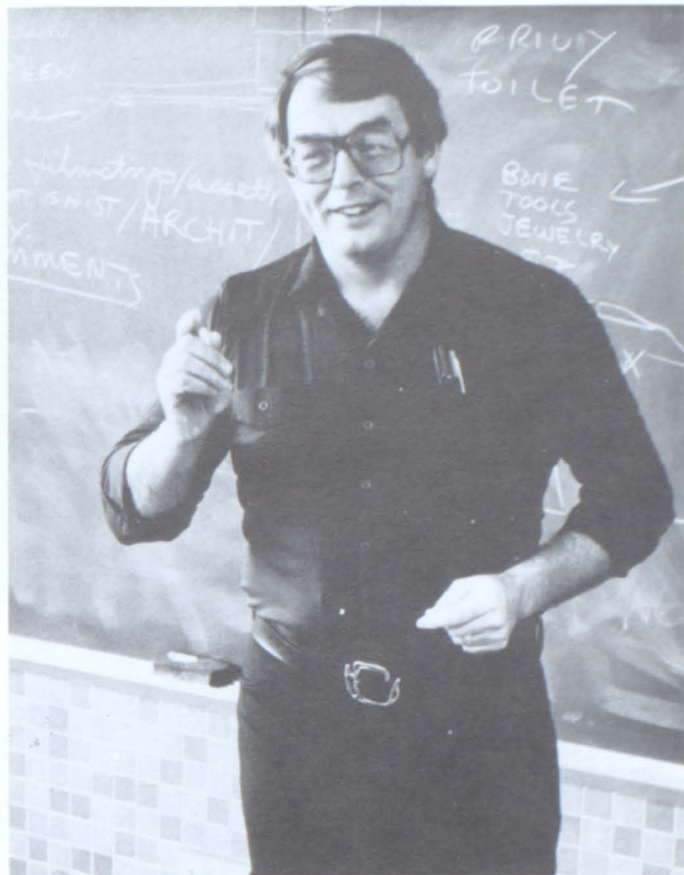

"This problem can't be as hard as it looks."

"Confucius say . . ."

"You traced your ancestry back to G. Washington?"

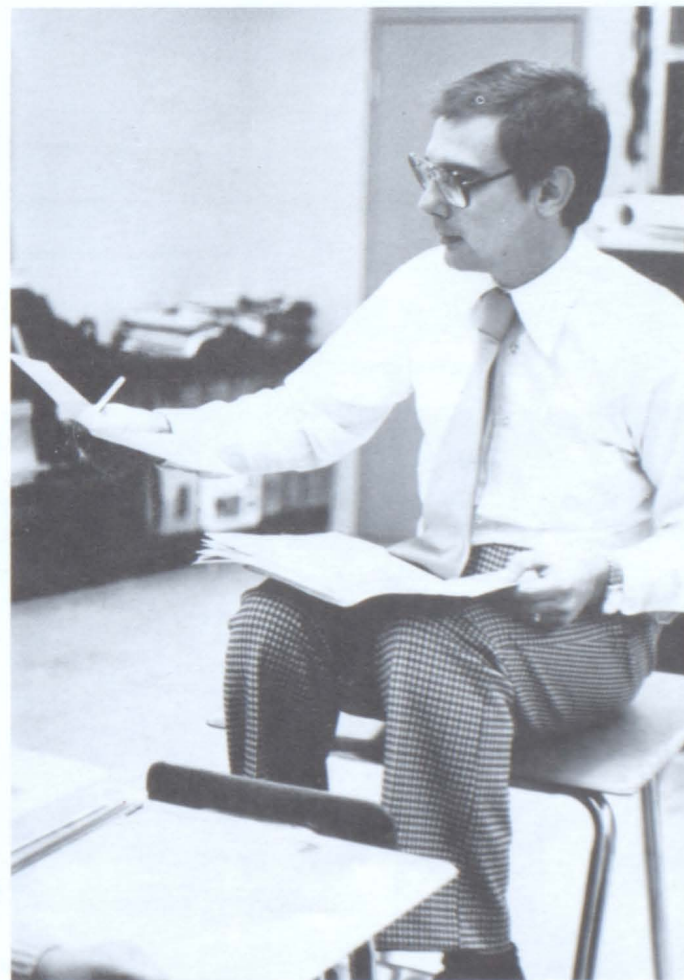

"You can get up off your knees, I'm not giving you an A!"

"My father didn't write 'Oh Suzanna' but I'll sing for you anyway!"

"You backed into whose car?!?"

"Who in the world is Xavier?!?"

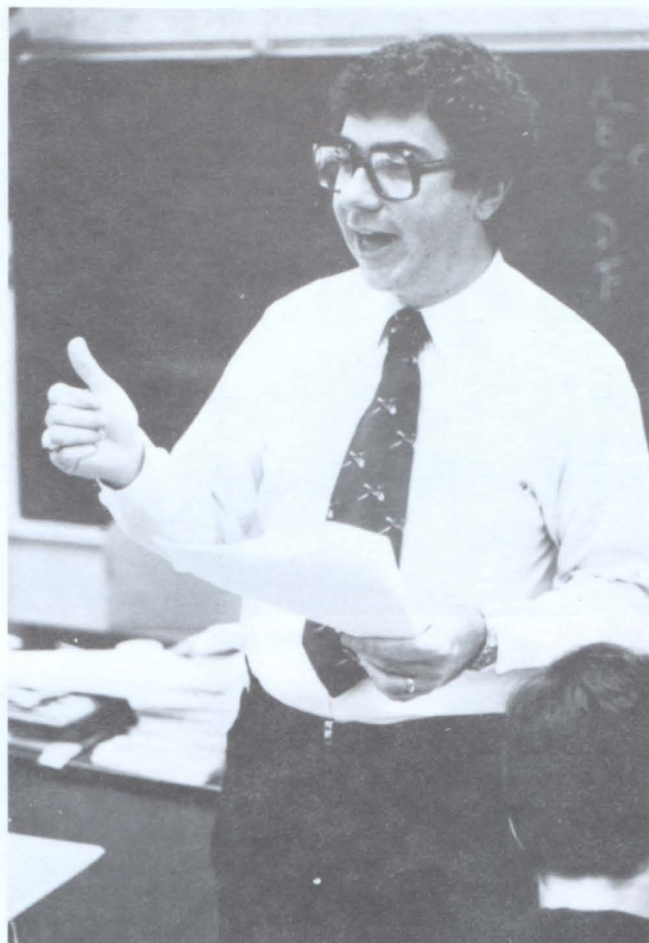

"Think positively — Latin lives!"

"I'm a French teacher not a math teacher!"

"It's 'si' in Spanish and 'oui' in French!"

"Eh, Fonzé!"

"How did you say that?"

"Come, come my child!"

"Maybe if I watch every step, I can understand how you got this answer!"

"That's a problem I hadn't considered."

"2 taps+1 tap = tap, tap, tap!"

"There is absolutely nothing hidden in this locker!"

"I learn the strangest formulas correcting tests!"

"The raccoon can't take the test for you!"

"Oh Christmas tree, Oh Christmas tree!"

"This is what you call a shovel?!?!"

"Another inch and perfect!"

"I should have taken shorthand in high school!"

"We never did *that* back on the cranberry farm!"

"To produce the proper sheep sound, you must pucker . . .!"

"The key to artistic success, is to wear the materials!"

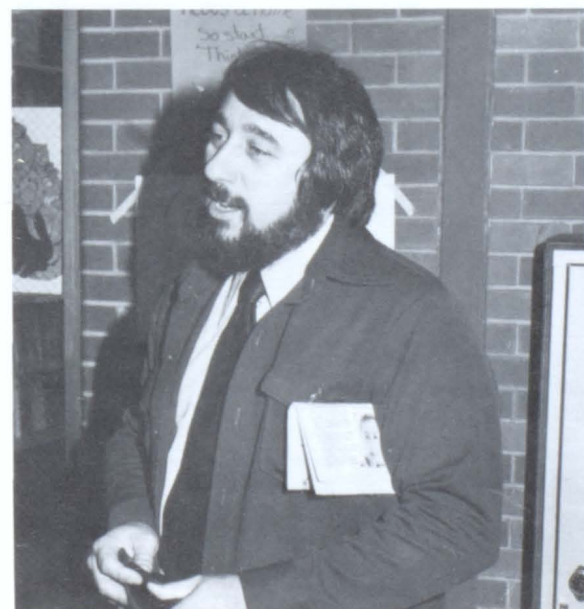

"They warned me about these American kids, but ..."

"I've never seen this part before?!?!"

"Has anything like this ever been built?"

"I don't make mistakes just boo-boos!"

"You want a Trans-Am for Christmas?"

"Sorry we don't have any back issues of Playboy!"

"How could the CPR dummy bite your nose?!?!?"

"This cake does not call for one pint of rum!"

"The baby was this big? Incredible!"

"I couldn't have done better with a real racquet."

"I'll get you for this one!"

"Welcome to my castle!"

"What joker served the live bird?"

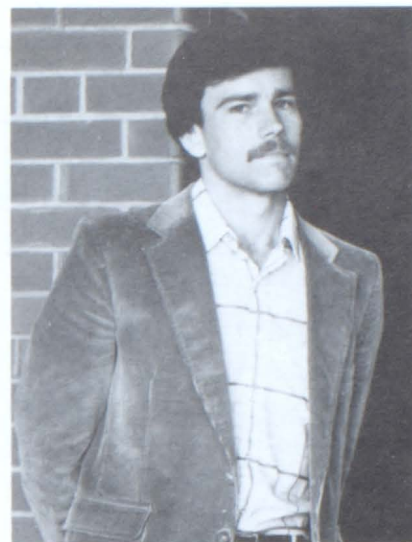

"I can't give you anything for a broken heart!"

"I don't have to pay class dues anymore!"

"I'm really very shy!"

"Let's take it one more time."

"A word this long huh!?!?"

"Nobody told me there would be *this* much paper-work."

"Sweet and lovely . . ."

"Dear Abby . . ."

"You say you've been here for 4 years?"

"I can't print this it's grammatically incorrect!"

"It's against school policy to major in study halls."

"I hate posing for pictures."

"I'll be with you in one moment."

"Like mother like daughter."

"This isn't as tough as yearbook was!"

"One more Drop/Add slip and I'll drop."

"Coffee, tea, or a great big smile?"

"We don't cook this kind of greens."

"Hmmm — interlopers in my kitchen!"

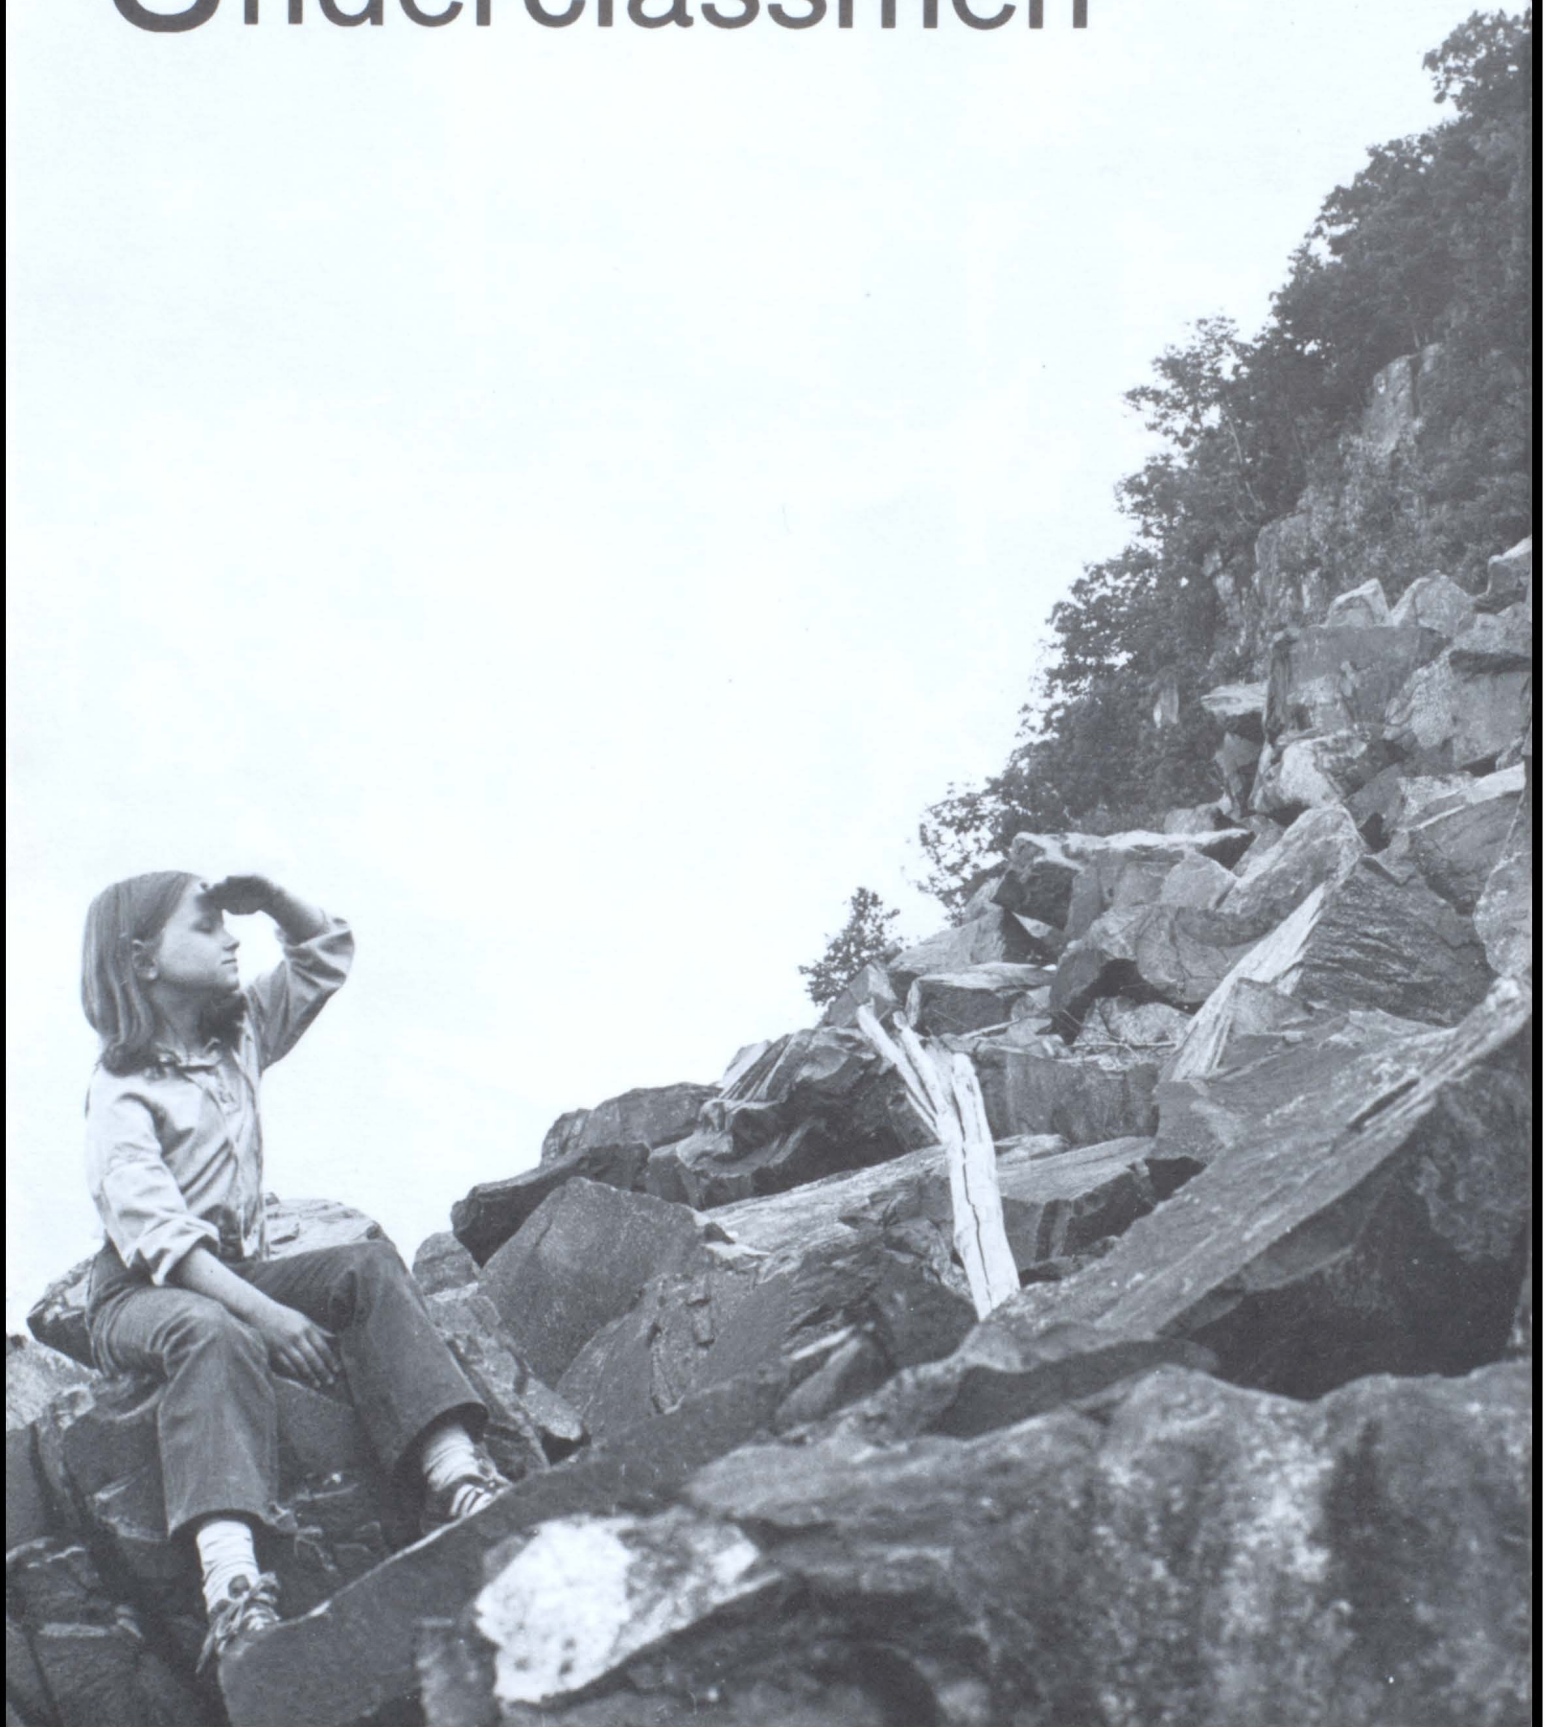

"Personnel's doing well these days."

# CLASS HISTORY

As we began our freshman year, we were shy and starry-eyed, determined to show the upperclassmen our spirit. It was a slow beginning, but gradually we came alive. We made our mark at Suffield by breaking away from the traditional style of class jackets. Those BLUE jackets displayed our originality all around the school. Then we went on to place second in the Pep Rally with more determination and drive than ever.

As sophomores, we danced through the year to the ever-popular VAN HALEN and singers BILLY JOEL and LINDA RONDSTAT. We cheered our Varsity Hockey Team and SOCCER team all the way through the state championship, and maintained our second place standing in the Pep Rally. Our class trip to Ocean Beach was a great success, especially when we celebrated the SUMMER vacation with MCDONALDS food and PIZZA with everything on it.

Our junior year was full of anticipation, we knew the difficult decisions awaiting us. Graduation was rapidly approaching and we had to prepare for it. We made it

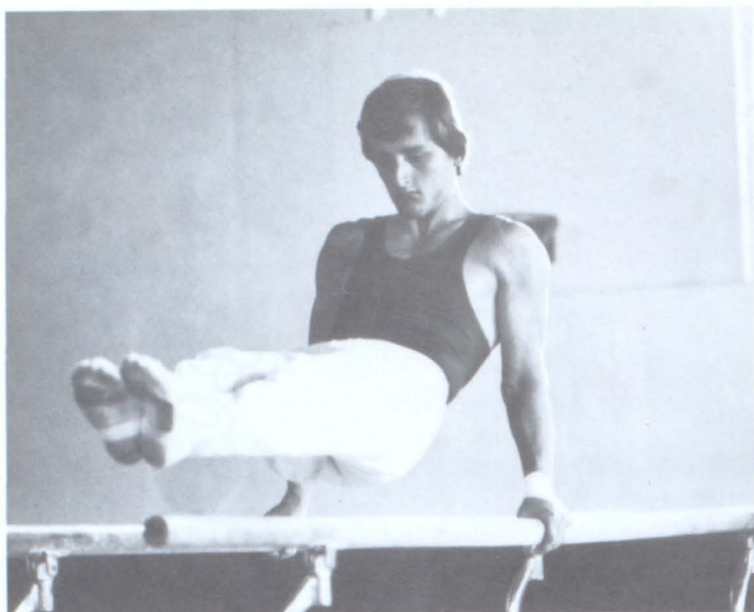

# AND FAVORITES

through the candy sale and began preparation for our Junior Prom. Once again, we chose to defy tradition and have our prom at Chez Josef. Strains of "If you Remember me" rang through our minds on that glorious night. The guys were very impressive with their shiny cars, especially the classy TRANS-AM. We moved into our senior year with ease; the class of '81 was unstoppable now.

Senior year arrived with sighs of relief that in a few months we would be on our own. We had matured greatly in the past four years and had made many important decisions. Our record breaking magazine sale would be hard for next year to beat. We left Mrs. Egolf, MR. KATULKA, and the class of 1982 the tough job of trying to live up to our reputation. We had only a few months to go when we danced at our final prom, "The Senior Sno-Ball." The yearbooks finally arrived, and as the last few copies were being signed, we felt the tug of saying good-bye. Soon we would encounter our first threshold into the future and as always, we were ready for it!

On a quiet evening in July, 2001, **SEAN SHERIDAN'S** blue Chevy Nova speeds through the center of Suffield. A howling patrol car driven by **PAUL WITHAM** soon overtakes it and motions the driver to pull over.

As Witham strolls to the car with a dignified air, he recognizes the speeder. They laugh, and Sean tells Paul that he was speeding to the party celebrating a new Broadway hit starring **ROBBIE GORMAN, SEAN KELLNER, and CHRIS MARTINO**. Paul, by coincidence, is going off duty in five minutes, so Sean volunteers to take him to the party.

The gathering is a sea of familiar faces. Near the TV console, watching reruns of "Who Shot J.R.," are furniture makers **DAVID FUSIEK, BRIAN DOYON and BEN DION**. On the wall, beautiful artworks by **ANDY TAYLOR, CHERYL NIGRO and DIANE CURRIE** are displayed.

**CHRIS AKELEY**, a prospering director, chats with engineers **KARL KRICHBAUM, MARK ANDREWS, ED MORRISON, CARL COLSON and DONNY HEYSE**, discussing the costumes cleverly designed by **DIANE DAVIS, JUDY MISEK, NICOLETTE SKAWSKI and LORI ALLEN**.

As the party grows more rowdy, librarian **LAURIE LAROSA** becomes ill during a conversation with medical technicians **JILL CORDIS** and **KEVIN NORMAN**. Nurses **MARY MONTELEONE, KAREN JANOWETCH, PATTY HAMANN** and **MARIE LEVESQUE** immediately rush to help her, and doctor **ELLEN BROME** recommends she be driven home to rest.

Around midnight, Nobel Prize winner **MITTI CROSIER** arrives and awes everyone with accounts of her discoveries in biological research. Her assistants **PAULA SIMPSON, LISA LUMBRUNO and JAMES COGGINS** congratulate Mitti on her great achievement, while journalists **SHERI ROSS** and **PAULETTE PELLERIN** try to get a short statement from our Nobel winner for a feature story in *The Robot Chronicle*. Zoologists **RANDY MAREK** and **KEITH NADLER** soon arrive and begin to reminisce with old classmates about their biological discoveries.

**SCOTT SEIDENSPINNER**, known on his radio station as "Winner Spinner", flirts with model **DEANNA POWELL**, and the new beauticians, **CHRIS DION, LYNDA DUMONT, CINDY BASDEKIS, DAWN KENNY, KIM FEHM, SHELLY RAPP, KIM GIBRIANO** and **VALERIE ROSS**, from Beauty World Hair Salon. Meanwhile, lawyers **RAYMOND KOLLS, SANDY KOPACSY** and **SHARON WALSH** debate on space traffic laws. **MARK BEDNAZ, RICHARD CANNON** and **JIM ROSSI** discuss the pressures of their thriving auto business on Mountain Road.

In the distance, more people are seen approaching. **MIKE RUGGIERO, BRUCE HALL, TIM MCINTYRE, MARK WRISLEY, DAVID OLTSCH, CARL JOHNSON** and **BRANDON RATHBURN** carry their air force parachutes on their backs. A helicopter has dropped them off for the night so they can once again be reunited with their classmates of '81.

A new computer game, designed by **SUE DAVIS, CHRIS DEMERS, AUDREY LILL, GEORGE STEIN, RICHARD SYCH** and **MARYANN HRYNIEWICZ**, is played by computer programmers **ANGELA TAYLOR, ADRIENNE MANN, CAROLYN VARHOLAK, TRACY CUMMOCK, JOAN FLASINSKI, and KATHY MANFREDA**. The six are dedicated to solving the game's riddle.

Millionaire **BOB MONETTE** walks across the room with an expensive cigar protruding from the side of his mouth. He approaches business administration experts, **BONNIE BENSON, TERRY SANGIOVANNI, JOE SIMONOKO, KRISTIN STELMACK, JOHN LANGH, HEIDI KAMPMANN** and **TIM HASTINGS** to ask for advice on his extensive investments. Mr. Monette owns a very successful chain of hotels throughout California run by business managers **BOB MYERS, CHRIS OSOWIECKI, LISA PEARSON, MAUREEN TOKARZ, DOUG RENDOCK, ROBERT ALERS, BARBARA SCHICK** and **JIM D'ALESSIO** who are also in attendance.

# PROPHECY

**LISA LEAVITT**, executive secretary to Mr. Monette, arrives to tell him he has an important phone call regarding his reservations on the Love Boat. Lisa then joins a group of secretaries including **MARYBETH MOLLEUR**, **KATHY KULAS**, **SUE PENLAND**, **CHARLOTTE ADAMS**, and **COLLEEN FLEMING** also employed by millionaire Monette.

**JAMES CERVIONE**, **DAVID KROHN**, **DAVID FREYTAG**, **KATHY MARINE**, **KEN BRACE**, and **KORY BRACKONESKI** casually stroll about with their spouses, flashing stacks of their children's pictures.

Everyone is silent as the sound of galloping horses is heard in the street. **TERRY CASTONGUAY** and **PAUL GLANS** dismount from their beautiful Arabian and saddlebred horses conversing about the many trophies and ribbons they have won in international competitions.

As more friends arrive, everyone is reminded of high school teachers when **BETSY PINNEY**, **GARY STEVENS**, **KARIN LINDAU**, **MARY KAY SCULLY**, **JACKIE CAIN** and **DIANE GRANO** walk in late after an exhausting faculty meeting.

A Concord is seen soaring over the house; pilots **KEVIN REYNOLDS** and **CHRIS SPAULDING**, along with stewardess **ROBYN WALDMANN**, yell down from the plane to announce their forthcoming arrival at the party. World travelers **CHERYL RINGUETTE** and **TRACEY VIETS** also scream out to make their presence known.

As the group awaits these newcomers, **KARL CHRISTIAN**, **TED DREWNOWSKI**, and **WAYNE HALL**, the three most prominent farmers in the state, invite everyone to a hoedown to be held in the fall.

Stauch members of the college community, **KIM CARNEY**, **KAREN COULTER**, **PAUL FABRIZI**, **DAVID LOWNDS**, **TODD MANDIROLA**, **CHRIS MARKWELL**, **LORI KOLVEK**, **PAULETTE RIOPEL**, **ERIC STIEGER**, **MARK STEWART**, **KAREN THOMPSON** and **SCOTT ZENO**, sit in a corner holding a highly intellectual conversation about everything and anything.

In another corner, social workers **JANET CIEMNIEWSKI**, **JUDY DIAS** and **JENNIFER MELLILO** talk to accountants **TERRY O'BRIEN** and **PETER HRYNIEWICZ** about how nice it is to see all their classmates. Landscaper, **JOHN CUNNANE** is discussing business with insurance salesman, **JOHN WALONSKI**. Mr. Cunnane is interested in land insurance, and contractor **RICKY ROY** eagerly joins the conversation.

Eminent veterinarians **LEEAYN GOODWIN**, **KRISTIN WAUGH**, **MARCI JO BAZYK**, and **TERRY PUTOWSKI** get together with optometrist **DIANA DYER** discussing ideas to further medical science: result — Animal Contact Lenses.

The party is hushed as Grammy Award winning vocalist, **LYNDA REYNOLDS**, stands on a table and sings **NICKIE CHISNALL'S** rock and roll version of "I did it my way."

Technicians **ANDY MCALISTER**, **TOM MINAHAN**, **ED PIZZALE** and **STAN GLEMBOSKI** sit very quietly watching a baseball game on TV. Suddenly, a thunderstorm comes up, and several people begin to get a little shaky. Physical therapist **KAREN MURPHY**, recreational therapist **SHARON KAVANAGH**, and psychologist **MARY MALONEY** try to calm some of the more nervous guests. Thunder and lightening fill the sky. Scientist **BOB PREW** seems to enjoy observing the different air currents of the storm, rather than observing the social currents at the party. A roar of thunder shakes the house, and foreign diplomat **NANCY PATILLO** faints in fear. **JOHN LANATA**, the paramedic, rushes in and helps her regain composure. Forest ranger **DAN PELLETEIR**, printer **BRIAN PRIEBE**, greenhouse attendant **BILL SMUS**, and travel agent **CHE- RYL BRYLL** are just a few of the ex-classmates in hysterics over the big storm.

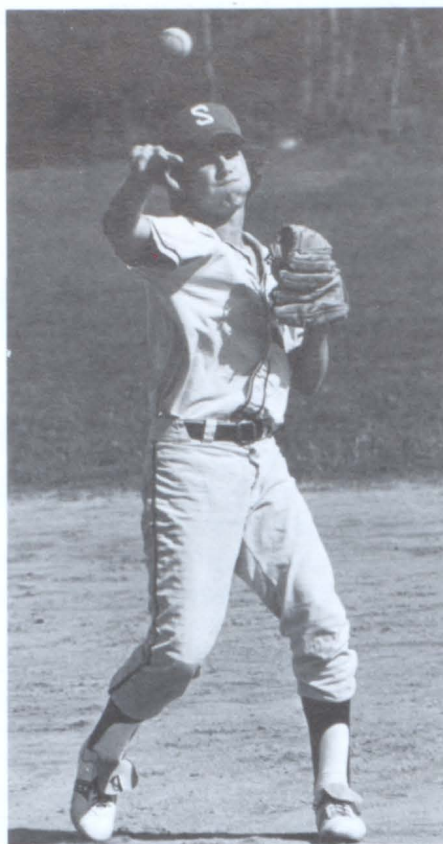

The lights which have been flickering, eventually go out leaving the room pitch black. Women scream; men swear. Finally, electricians **DAN MIEBERG** and **MARK WILCOX** find their way outside to see if they can restore the power. Machinist **RICHIE KULAS** offers to make tools for the job, but they have brought their equipment with them. Minutes later everything is back to normal. Fears of a repeat of the 1979 tornado subside. The commotion is cooled and the reunion continues.

To make a very long party short, the class of '81 has the energy, laughter, excitement and, most important, the spirit to carry on forever.

As our high school years do end,  
Another dollar do we spend,  
To leave this message from us all,  
So the Phantom will not fall.

For many a note did we write,  
The Phantom only strikes at night,  
And leaves behind the marks of height,  
For our meetings were out of sight!

Erasers flew around the room,  
The radio played a rocky tune.  
All that's left are memories in mind,  
Of the yearbook times we leave behind

Though we won't be together all of the time,  
We'll think of the Phantom when we rhyme.  
Now, look out world, 'cause here we come,  
The Phantom and Company are on the run.
